**SAWFCC CIRCULAR 10/2017 (Senior, Junior and Cadet Additional Tour Teams 2017)**

---

As mentioned in SAWFCC Circular 08/2017 the Coaches Council want to expose our National Wrestlers to international training camps and competitions where wrestlers can experience meaningful international competitions and training camps. To this extent we have identified two training camps for the Cadet, Junior and Senior Wrestlers. Being the first year of the new Olympic Cycle there were many uncertainties with regards to which countries will assist us with these additional tours as many countries were still finalising their own planning and schedules. We should be in a better position during 2018 with regards finalising these tours earlier in the year.

The Cadets and Junior Team will be attending a training camp and competition at Fresno State University in California, USA. They will attend an intensive Troy Steiner Bulldog's training camp and will participate in dual match competitions.

The Senior team will be attending the Grand Prix Competition in Spain as well as the associated training camp. No official colours will be awarded to wrestlers going on these tours.

The Cadet and Junior Wrestlers going to the USA don't need UWW Licences. The Wrestlers going to Spain will however need to pay their annual UWW license fees and arrange the required annual medical examination as stipulated in the UWW regulations and relevant SAWF circulars. Please send the relevant proof of payment and medical examination form to the SAWF Secretary General in order to facilitate timeous registration on the UWW Athena system.

The team Manager for the Grand Prix of Spain, Mr. Marcel De Wit will send the first Circular with all the tours detail as soon as possible. The team manager for the USA Tour will be appointed within the next couple of days.

I will however send a first Circular to all the team members tomorrow with details regarding the tour to enable team member to make the necessary decisions.

We appreciate your cooperation and wish all team members the best possible experience on these tours. We would like to announce the teams for these two tours. Wrestlers that were selected for both Junior and Senior teams will have the choice of which tours they want join.
