**In the Nordic tournament, the wrestler with the highest number of victories will be ranked first, regardless of the total number of classification points.**

If two wrestlers have an equal number of classification points, their direct match will determine the winner. The wrestler who won against his opponent will be ranked before the other one.

If more than two wrestlers have an equal number of classification points, the last of the ex-aequo group will be determined following these criteria until only two wrestlers remain:

- The fewest victories by « Fall »
- The fewest match victories by superiority
- The fewest technical points scored in the whole competition
- The most technical points given in the whole competition

**In the Nordic tournament, the wrestler with the highest number of victories will be ranked first, regardless of the total number of classification points.**

If two wrestlers have an equal number of classification points, their direct match will determine the winner. The wrestler who won against his opponent will be ranked before the other one.

If more than two wrestlers have an equal number of classification points, the last of the ex-aequo group will be determined following these criteria until only two wrestlers remain:

- The fewest victories by « Fall »
- The fewest match victories by superiority
- The fewest technical points scored in the whole competition
- The most technical points given in the whole competition

**From the 7th place, wrestlers of each category will be ranked depending on their ranking points, retirement or forfeit, injury or disqualification.**

In case of a ranking tie, they will be ranked by analysing the following criteria successively:

- The most victories by « Fall »
- The most match won by superiority
- The most technical points scored in all the competition
- The fewest technical points given in all the competition

**If the place of the wrestlers cannot be determined with the above mentioned criterion, they will be ranked ex-aequo.**

**In the Nordic tournament, the wrestler with the highest number of victories will be ranked first, regardless of the total number of classification points.**

If two wrestlers have an equal number of classification points, their direct match will determine the winner. The wrestler who won against his opponent will be ranked before the other one.

If more than two wrestlers have an equal number of classification points, the last of the ex-aequo group will be determined following these criteria until only two wrestlers remain:

- The fewest victories by « Fall »
- The fewest match victories by superiority
- The fewest technical points scored in the whole competition
- The most technical points given in the whole competition
