**RE: 2019 - On-Line Modules**

Dear all

A big thank you to all the referees who attended the first two referees' courses in Pretoria and Cape Town. They were both well attended and definitely a huge success and we are confident that it has raised the standard of refereeing in South Africa.

There were record numbers of attendees at both courses and it was great to be able to interact with everyone.

Please take note of the following important information and distribute to all your members.

**1. On-Line Modules**

As mentioned at the courses the on-line modules are available from the 28th of January 2019, all National graded referees and Provincial 3 Referees who wish to grade in 2019 must complete all 8 modules before the 30th of September 2019.

Although it is not a formal evaluation, we expect everyone to obtain at least 75% for each of the modules.

All referees and judges who successfully complete all 8 modules with a minimum of 75% will receive 10% towards their final evaluation mark at the end of the year.

The purpose of the modules is not only to test your knowledge of the rules and the application of them in specific situations, but it is to encourage you to read and understand your rules and the information provided by the Referees Council.

You can find the rules and information on the SAWF's website under the referees' section - [www.wrestling.org.za](http://www.wrestling.org.za)

The link to the on-line modules is - <http://wrestling.org.za/officials-council/referee-on-line-modules/>

The cost of each module is R10.00 and you can submit as many times as you like.

If there are any questions, suggestions or comments please do not hesitate to contact us.

Kind Regards

Shaun Bartlett
