### SAWFCC CIRCULAR 01/ 2021 (National Training 2020 PWV Area)

Due to the National State of Disaster being moved back an “adjusted” level 3 some new rules will apply, including a curfew between 21:00 – 06:00. The new SRSA regulations require that all sporting activities end at 20:00 to comply with the new curfew times.

For this reason, the National training times in the PWV area will change to 18:30 – 19:45 to accommodate people that must travel home before 21:00. The adjusted training time will be valid for January and February after which we will review our decision depending on the prevailing Covid-19 regulations. Other National training venues will have to adapt accordingly and communicate the new training times to all relevant coaches and wrestlers.

**Please note that we are still awaiting information as required per paragraph 1 below, for several National training venues.**

All National training groups across the country must comply with the current Covid-19 requirements as set out by the SAWF.

The following requirements will be applicable:

All approved National training groups across the country must send a copy of the training venue or club's Covid-19 Compliance Certificate to the Secretary of the SAWFCC, Esta van Zyl at email, [Estav@Phumelela.com](mailto:Estav@Phumelela.com) together with the scheduled dates and times when the training will take place, before training commences.
2. If the club or venue is not approved by the SAWF, all the relevant documentation needs to be submitted to the SA Covid-19 Compliance officer for approval, after which a compliance certificate will be issued. National training sessions will not be allowed at a venue or club that is not SAWF Covid-19 Complaint.
3. Given the current circumstances with Covid-19 the National training sessions will be limited to wrestlers in age groups that may be considered for international participation for during 2021.
